

Fundamentals of HYBRID AF Therapies

8.30	Opening remarks and introduction	R. Lee, MD (UCSF, USA)
8.40	Past, present and future of AF management	S. Ahsan, MD (Barts Heart Center, London)
9.00	Non-PV triggers in advanced forms of AF	R. Kaba, MD (St. Georges, London)
9.20	LAA management options: AtriClip	T. Hanke, MD (Asklepios, Hamburg)
9.35	LAA management options: LARIAT	K. Bartus, MD (Jagiellonian University, Krakow)
	<u>Open Round table</u>	F. Sebag, MD (IMM, Paris)
9.50	Why does the hybrid posterior wall isolation work? moderator: J. Gill MD (St. Thomas, London)	R. Kaba, MD (St. Georges, London) S. Ahsan, MD (Barts Heart Center, London) Y. Blaauw MD (UMCG, Groningen)

Clinical Evidence and Outcomes

11.00	Converge trial and Real World evidence	K. Makati, MD (Tampa Cardiac, USA)
11.20	Building a Standard of Care	Y. Blaauw MD (UMCG, Groningen)
11.50	Hybrid AF Convergent Best Practices	E. Bergoënd, MD (Henri Mondor, Paris)
	<u>Open Round table</u>	
12.15	Outcomes and funding strategies: building the clinical evidence moderator: R. Lee, MD (UCSF, USA)	J. Gill, MD (St. Thomas, London) T. Hanke, MD (Asklepios, Hamburg) K. Makati, MD (Tampa Cardiac, USA)

LAA Management Science Update

14.00	LAAOS III Trial lessons learnt	R. Whitlock, MD (McMaster University, Canada)
14.20	aMAZE Trial first outcomes	R. Lee, MD (UCSF, USA)

Procedural Considerations and Evolution of Hybrid Therapies

14.40	<u>Case-Based round table discussion</u>	moderators:	J. Yap, MD (Barts Heart Center, London) M. Mariani, MD (UMCG, Groningen)
	Convergent Challenging Cases		S. Bauer, MD (Mediclin Herzzentrum Lahr)
	Orchestration and multidisciplinary conversations		A. Momin, MD (St. Georges, London)
	Convergent with Thoracoscopic access		K. Zannis, MD (IMM, Paris)
	Hybrid Convergent + LARIAT		C. Starck, MD (Deutsches Herzzentrum Berlin)
	Hybrid Convergent + AtriClip		panelist to be announced
	Standalone LARIAT		panelist to be announced
