

AtriCure at EHRA

16 – 18 April 2023

Explore the latest clinical science and discover novel strategies for the treatment of Atrial Fibrillation with Hybrid AF™ Therapies.

Program

- Symposium (CME Program)
- EHRA Simulation Village
- Exhibition Booth
- Innovation Suite

**Improving Lives for
the Most Complex
Arrhythmia Patients**

AtriCure

About AtriCure

As a **leading provider** of innovative technologies for the treatment of **Atrial Fibrillation (Afib)** and related conditions, electrophysiologists and cardiothoracic surgeons around the globe count on AtriCure to deliver **best-in-class solutions** that can treat even the most complex cases.

We invest in innovation, clinical science, and education to focus on improving lives for our patients worldwide.

Mission

We are passionately focused on reducing the global Afib epidemic and healing the lives of those affected.

Values

We work to heal the lives of Patients, empower our People, and collaborate with our Partners to reduce the burden of Afib worldwide.

Mike Carrel
President and CEO

Welcome to EHRA

AtriCure is looking forward to meeting you at EHRA 2023 in Barcelona! As a leading provider of innovative technologies for the treatment of Atrial Fibrillation (Afib) and related conditions, we are happy to partner with EHRA and each of you to help patients around the world.

During the 20th EHRA edition, you will have the opportunity to join top-class educational programs on how Hybrid AF™ Therapies can address unmet clinical needs in complex AF treatment, as well as gain hands-on experience on “Epicardial Options for Arrhythmia Ablation” in the EHRA Simulation Village.

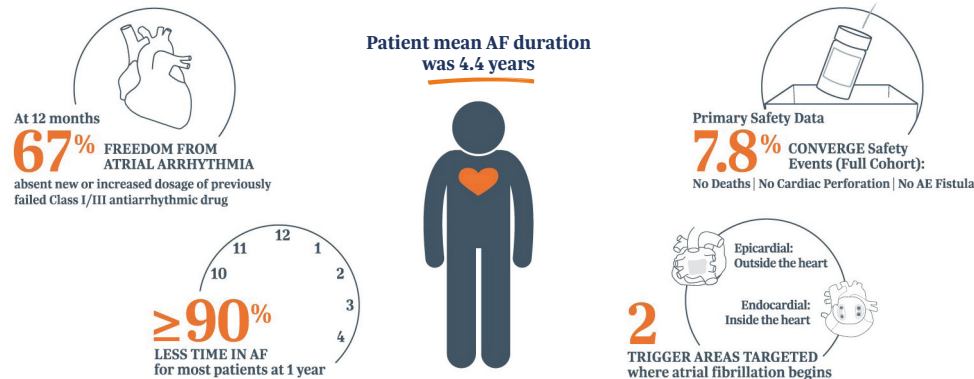

We also invite you to visit the AtriCure event booth to learn more about AtriCure therapies and programs.

We look forward to seeing you at EHRA!

The AtriCure logo, featuring the word 'AtriCure' in a bold, dark blue, sans-serif font. The letter 'i' in 'Atri' has a dot that is a small heart shape. The letter 'C' in 'Cure' is a stylized, rounded 'C'.

Converge IDE Trial : Outcomes

Data from the clinical study at 12 months post procedure suggest that:

The Hybrid AF™ Convergent Therapy is a minimally invasive cardiac ablation that combines the expertise of cardiac surgeons and electrophysiologists.

Symposium - CME Accredited Program

Organised by Radcliffe Medical Education, supported by an unrestricted educational grant from AtriCure.

Sunday 16 April 2023
15:45 – 16:30 Lecture Room 3 / Channel 3

Hybrid Ablation: AF and Beyond

Chair's Welcome and Introduction

Harry Crijns M.D., Maastricht University, the Netherlands

What Arrhythmias Could Benefit From a Hybrid Approach?

Carlo de Asmundis M.D., Universitair Ziekenhuis Brussel, Belgium

Hybrid Ablation in IST: A Case Study

Mark La Meir M.D., Universitair Ziekenhuis Brussel, Belgium

What Can We Learn From Persistent and Long-Standing Persistent AF?

Ashley Nisbet M.D., University Hospitals Bristol and Weston NHS Foundation Trust, United Kingdom

Panel Discussion and Audience Q&A

Chair's close

AtriCure

CEASE-AF trial results

To be presented in the Late Breaking Science - Day 2 session

Monday 17 April

13:15 – 14:15

Lecture room 1

CEASE-AF is a perspective, multicenter, **randomized trial comparing the efficacy and safety of Hybrid Total Thoracoscopic Ablation Therapy vs standard catheter ablation**, in preventing the recurrence of AF in symptomatic, drug refractory patients with persistent or longstanding persistent AF.

Chairpersons :

Pierre Jais (University of Bordeaux - Bordeaux, France), Serge Boveda (Clinic Pasteur - Toulouse, France)

14:00	CEASE AF: Primary Efficacy and Safety Endpoints	Nicolas Doll (Schüchtermann Klinik, Bad Rothenfelde, Germany)
14:10	CEASE AF: Primary Efficacy and Safety Endpoints - Discussion	

Join the Late Breaking Science session to hear the Principal Investigators disclosing the CEASE-AF Efficacy and Safety Endpoints results.

EHRA Simulation Village

Epicardial Options for Arrhythmia Ablation / Room: Simulation Village 8

Sunday 16 April 2023	Monday 17 April 2023	Tuesday 18 April 2023
08:30 – 09:30	08:30 – 09:30	08:30 – 09:30
10:45 – 11:45	10:45 – 11:45	12:00 – 13:00
14:30 – 15:30	14:30 – 15:30	
16:45 – 17:45	16:45 – 17:45	

Learning Objectives:

- Improve your understanding of Hybrid AF™ Therapies
- Discover how the combination of Epicardial and Endocardial ablation techniques can be used to treat several arrhythmias, including AF, VTs, IST and Brugada Syndrome
- Explore different techniques and approaches using AtriCure's innovative beating heart simulation model

 Please register on the official EHRA website.

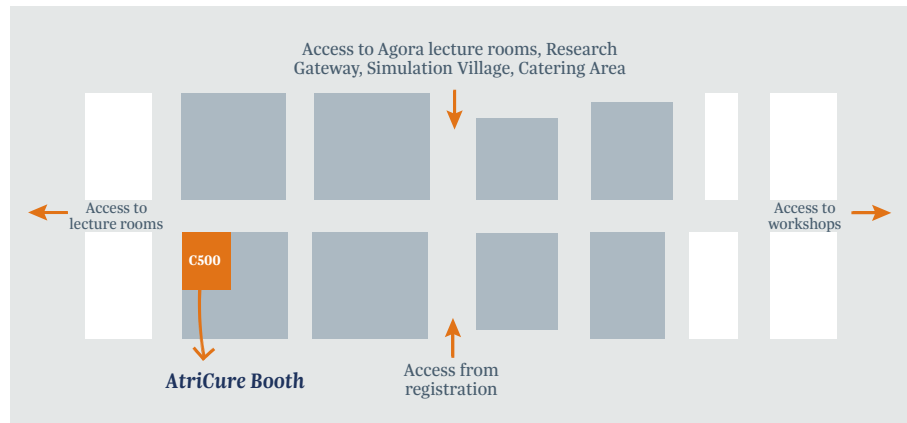

AtriCure

AtriCure Exhibition Booth C500

We are pleased to invite you to visit the **AtriCure booth #C500** to explore the latest clinical science and discover novel strategies for the treatment of Atrial Fibrillation with Hybrid AF™ Therapies.

-  Discuss with our experts the latest innovations and clinical data
-  Learn about options for Hybrid AF™ Therapies and Left Atrial Appendage Management
-  Explore different strategies in complex cases management
-  Exchange knowledge on practical tips and techniques

Where to Find Us

AtriCure

Innovation Suite

Sunday 16 April

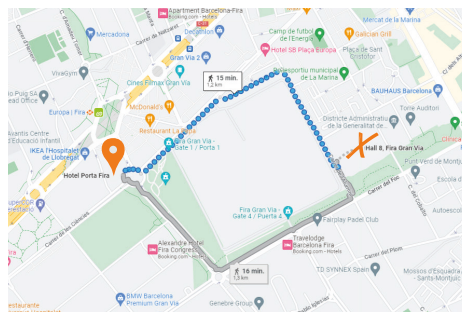

18:00 – 20:00

Hotel Santos Porta Fira Barcelona

Since AtriCure's founding more than two decades ago, we have been committed to helping patients live longer, healthier lives. The pillars of Innovation, Education and Clinical Science are the guideposts of our mission. We are dedicated to advance the field of EP and improve patient outcomes through groundbreaking science, cutting-edge technologies, and life-saving therapies.

During EHRA 2023, you will have the chance to join our Innovation Suite on Sunday 16 April. In this educational event, you will be able to discover the latest technologies for Hybrid AF™ Therapies, learn about future developments, and explore how our innovative devices and therapies can be used to treat the most complex arrhythmias, including Atrial Fibrillation, Ventricular Tachycardia, Inappropriate Sinus Tachycardia and Brugada Syndrome.

This event is upon **invitation only**, please contact your AtriCure representative to attend.

Point A : Fira Gran Via North Entrance - Hall 8 Carrer del Foc, 37 08038 Barcelona, Spain

Point B : Innovation Suite - Hotel Santos Porta Fira Barcelona Plaza Europa, 45 08908 Hospitalet de Llobregat, Spain

Notes

Notes

At AtriCure, Patients are at the heart of what we do every day. Electrophysiologists and cardiothoracic surgeons around the globe use AtriCure technologies for the treatment of AF and reduction of AF related complications. We are passionate about leveraging our diverse expertise to pursue innovation to heal the lives of **Patients**, empower our **People**, and collaborate with our **Partners** to reduce the burden of AF worldwide.

What if you could easily access to

- the most relevant **clinical-data** on Hybrid AF?
- resources for interacting with **your referrals**?
- outstanding **patient education** materials?
- a comprehensive **training program** offer?

All of this, and much more on

Visit www.afconnect.eu

See the Instructions for Use for detailed information regarding the indications, contraindications, warnings, precautions, and potential adverse events. For more information, please contact your AtriCure representative and visit AtriCure.com.
